

Williams County Conservation League Membership Application

January 1, 20 _____ - December 31, 20 _____

MEMBERSHIP TYPE

The Williams County Conservation League and Affiliated Clubs (Rifle & Pistol, Bowhunters and Gun Club) are separate organizations that work together to maintain this facility and support events and programs that teach developmental skills to acquire the abilities necessary to hunt, fish, trap, or shoot safely, accurately and successfully. Each Affiliated Club has facilities on the Conservation League Property and conducts its activities and business here. Each Club has been an asset to the Conservation League by virtue of the facilities and activities it provides. The Conservation League and Affiliated Clubs each realize that collectively they can have facilities that no one could afford alone.

A current membership of the Conservation League permits you to attend Conservation League meetings, activities and to have a voice in its management and policies. In addition, a member may use any of the Club's facilities at any time they are not in use (check website calendar). For example: You may fish in the lakes, winter and summer, and an Ohio fishing license is not required. Please note that bass are "catch and release" only. Also note that the short rifle/pistol range was added by the Rifle/Pistol Club and you must join that affiliate club to use the range.

Conservation League Members who use an Affiliated Club's facilities are strongly encouraged to join that Club. One can only be a member of an Affiliated Club if they are a member of the Conservation League.
